NOTE FROM THE MANAGER

Dear Members,

Summer is almost past, Labor Day is here this weekend, Pool season is coming to an end, football season has started, hunting season is around the corner and your Club is here for you. When dining out or looking for a place to relax among friends think of FHCC. We have some great social events planned for your enjoyment this fall such as Pig Roast, Oyster Roast, GSU Football streamed live in the Tavern, Beer specials during the televised games and more.

The clubhouse will be closed Monday, September 2nd through Saturday, September 7th for annual maintenance and deep cleaning. We have many tasks on the agenda, contractors and staff will be diligently working to complete as many of them as possible.

I have had numerous inquiries about holiday events and we still have a few open dates. It is not too late to plan an event and we are here to help. Please contact me if you are interested in our availability and the services we can provide you or your organization.

I have some exciting food & beverage news. We are starting a new dinner menu, children's menu and Tavern appetizer menu on Wednesday, September 11th. The dinner menu will have some exciting new suggestions and some of your favorites. We are also bringing in 2 new craft beers for your enjoyment and along with Creature Comfort Tropicalla on draft we will have it available in cans.

The Board and I are in the process of completing a Fall membership promotion. We will inform all members the details once it is finalized as well as have flyers throughout the clubhouse, pool and pro shop.

The Board of Directors, Management and Staff of Forest Heights Country Club are committed to continuous improvement and member satisfaction. If you have any questions, comments or concerns please let me know.

Sincerely,
Isaac Davis
Club Manager
