NOTE FROM THE MANAGER

Dear Members,

Autumn is here and cooler temperatures will be arriving soon along with the time change next month. Your Club is changing with the times and offering more choices for you to benefit from your membership. Starting this month we will be offering a lunch buffet on Wednesdays for your enjoyment with an introductory price of \$9.95 during October. Please come out and enjoy the buffet with your friends and co-workers

The Board of Directors has approved to waive the initiation fee of \$1,000 for the remainder of 2019. This is a great time to introduce your friends and family to membership at FHCC and save them some initiation money. If you have any questions or want more information please contact either Carol or myself.

I still have a few open dates for holiday parties if you are interested in hosting one at your club please contact me about availability and menu options.

Please welcome Chef Simone as our new Executive Chef. Chef has hit the ground hard and is getting acclimated to our Club. His Bio is included on an insert in this edition.

Included with your statement this month is the annual donation request for the employees Christmas Bonus. Please show your appreciation to the staff for all they do throughout the year.

Thank you for your continued membership, the staff and I look forward to serving you. Please feel free to contact me with any questions you may have.

Regards,

Isaac Davis
Club Manager

OVER SEEDING OF GREENS

Each October, it is necessary for our superintendent to over seed our greens with a winter grass that will keep them in nice condition throughout the winter and early spring. This process will take place on Monday and Tuesday October 14-15. To allow the staff to work with no interruptions, all golf facilities will be closed these two days. Once we reopen, we will have to keep the green complexes watered down for the seeds to germinate. We will do our very best to keep you informed on the times the sprinklers will be running. Thank you.
